Our Purpose

Community Spirit Week ("Spirit Week") is a weeklong celebration hosted by The Dwight D. Howard Foundation. The purpose of "Spirit Week" is to empower Orlando Youth to maximize the opportunity of life. By partnering with community based non-profit organizations, we hope to help open doors which will allow these young people to gain the internal and external resources necessary to dream and fulfill those dreams through education or the work force. We believe as we invest into the younger generation we invest in a better world.
